

LOST Hints

Hint 1: Although the DHARMA Initiative stations are searching for the most advanced solutions to issues that concern them, often the best answer is the simplest or easiest.

Data Confirmation 1: Starting from “protective gear” mission statement and rotating clockwise, the station icons are – pith helmet, duct tape, basketball, leaf, prison jumpsuit, eggplant, Earth, and ice cream.

Hint 2: Each station can be associated with colorful people. Sometimes their colorful personalities blend together, sometimes they stay as separate as oil and water.

Data Confirmation 2: Starting at the top and rotating clockwise, the people to place between each station are – Sun, Sayid, Kate, Charlotte, Vincent, Frank, Libby, and Ben.

Hint 3: Even though some numbers are relatively close to each other, they should be treated separately and applied to the name they are closest to. Each number should be applied to the name as a whole.
