

1. UNLOCK THE CHAMBER SOLUTION

You join Dr. Jones at the locked door. The surrounding walls have drawings that feature three-armed creatures with three fingers on each appendage. “Perhaps these are the gods of this primitive civilization,” Dr. Jones muses with wide-eyed wonder.

The key to unlocking the chamber appears to be a four-sided device. Dr. Jones hands you a stack of tablets. “We found these nearby and think they might explain how to interpret the symbols on the device.”

Tablet 1 teaches the diamond "fight" operator. Tablet 2 shows ternary counting. Tablets 3 and 4 define the star operator.

Fill in the Device Sides using the rules for the diamond and star operations, translate circles to numbers via ternary, convert numbers to letters (1=A, 2=B, etc).

Result is: STAR FIRST SYMBOLS.

Perform the star operation on the first symbols on Device lines to get: ENTER GOLDEN RATIO
