THE HOLE STORY

PUZZLE 7 • PAGE 1 OF 1

Grandpa Sutton used to disappear for days at a time into the cave system that lies under Tenderfoot Falls. These strange caves are connected by holes in the walls, and Grandpa marked the walls so he would know which gaps to go through. Begin at the **access** point, and follow Sutton’s markings to learn what happened in the caves and discover where Grandpa went next.

Note: You can enter names of the pictures into ClueKeeper to confirm that you have identified them correctly.
