

What's Mine is Mine

Puzzle 11 (META)

SOLUTION

Puzzle answers go in the following order: BEHIND CELLAR PANELS, BOARD UNDER PIANO, FOLLOW THE MONEY, FALSE BOTTOM, CAVE, RATTLESNAKE, PRIZE WORTH DYING FOR, DIG WELL, TRAIN HEIST, BURIAL GROUND

Place the corresponding coin for each puzzle in the graphic, rotated so that the large angle completes the lines of the star. The small black triangle near the edge points to a picture.

Each line of the star joins two pictures, which share just one letter. Write the shared letters in the center blanks. Read clockwise from the top for the answer: **OUTLAW CASH**
