

...on the final day...

# Buyout

The kids finally walk through the door.

"Where have you two been? The head of acquisitions from Dukes came by. They want to buy your whole operation! You guys might be rich!"

"Not just Dukes," the girl says. "We've been meeting with companies the whole day."

The boy shows you his pad. "But we've been taking good notes. And we've decided who to sell our lemonade stand to!"
